

## The HEARS Mission

To improve the quality of life for those impacted by hearing loss

Did you know - of the many Federal & State medical & health programs, *NONE* provide hearing aids for adults? HEARS is unique!

Founded by local Sertoma clubs 35 years ago, All-volunteer HEARS 501(c)(3) provided hearing aids to its' 2,500th client in 2022; we assist 60-70 clients per year regain their hearing.

*"There was no way I could afford hearing aids. HEARS & your audiologist are wonderful - really made a difference to my & my family's life. Thank you HEARS."*

100% of net proceeds from our event go directly to the all-volunteer 501c3 HEARS non-profit providing hearing aids & superior quality audiologist services to lower income residents.

HEARS receives zero federal or state funding. And HEARS serves any US citizen of El Paso County with income level near or below Federal poverty level and who need hearing aids.

Special Appreciation to our Audiology Partners who are "Giving Back" to our community through support of HEARS and our clients!
