

Terrific premiums for the top three pledge fundraisers.

Our goal is to raise \$15,000 with the HEARS 5K Experience. It's doable.

Here's how:

- Think of 10 people you can ask for a \$20 (or more) sponsorship.
- Go ahead. Ask them! Sales points are on the back panel.
- Email campaign. Ask your friends to tell their friends. Include the H5KE.ORG website.
- Join our HEARS 5K Experience **Facebook** page and share it with *everyone* you know.
 - Share your story of why you are participating.
 - Share photos of you training, or in past races.
- Recruit runners and walkers to do the same you are doing.
 - A great family event.
 - Team building event for co-workers.
 - Service or social club event.
 - Scout troop community service activity.
