

The HEARS Mission

To improve the quality of life for those impacted by hearing loss

Did you know - of the many Federal & State medical & health programs, *NONE* provide hearing aids? HEARS is unique!

Founded by local Sertoma clubs 34 years ago, HEARS provided hearing aids to its' 2,400th client in 2020 and provides \$225,000+ value in support to our "in need" community every year - almost \$6 Million in value since 1988.

"My new hearing aids from HEARS let me get a job and hear my grandchildren too!"

100% of net proceeds from our event go directly to the all-volunteer 501c3 HEARS nonprofit - providing hearing aids & superior quality audiologist services to lower income residents. Every \$1 raised provides \$3.75 value in assistance

We receive zero federal or state funding. And HEARS serves any US citizen of El Paso County with near or below Federal poverty level income and who need hearing aids.

Special Appreciation to our Audiology Partners who are "Giving Back" to our community through support of HEARS!
