

## ***The HEARS Mission***

To improve the quality of life for those impacted by hearing loss

Did you know - of the many Federal & State medical & health programs, *NONE* provide hearing aids? HEARS is unique!

Founded by local Sertoma clubs 34 years ago, All-volunteer HEARS 501(c)(3) provided hearing aids to its' 2,500th client in 2021 and provides \$225,000+ value in support to our "in need" community every year.

*"There was no way I could afford hearing aids. HEARS & your audiologist are wonderful - really made a difference to my & my family's life. Thank you HEARS."*

100% of net proceeds from our event go directly to the all-volunteer 501c3 HEARS nonprofit - providing hearing aids & superior quality audiologist services to lower income residents. Every \$1 raised provides \$3.75 value in assistance

We receive zero federal or state funding. And HEARS serves any US citizen of El Paso County with near or below Federal poverty level income and who need hearing aids.

***Special Appreciation to our Audiology Partners who are "Giving Back" to our community through support of HEARS!***
